A week filled with **COOL** crafts & activities, high-energy dancing, **FREEZE** dance, and afternoons spent **CHILLIN'** by the pool and playing at the park! Classes everyday in jazz & hip hop to popular tracks from movies like Ice Age, Happy Feet and most recent favorite, Frozen! To help cool off, the **KONA ICE** truck will make a stop at SDC and all campers will participate in a performance at the end of the week!

When it's hot outside SDC is the **COOL** place to be!
